

Pure Health Systems H2O2 Wholesale Pricing Structure for Retail Businesses:

Size:	Wholesale Cost:	Minimum purchase of 8 qts, 16 pints, 1 four gal. case, 1 five gallon or 1, 55 gallon.
Pints:	\$17.50/pint	16 pints per case for one, \$30.00 hazmat* charge, plus shipping costs.
Quarts:	\$28.25/quart	8 quarts per case for one, \$30.00 hazmat charge, plus shipping costs.
4 Gallons:	\$153.95	4 gallons per case, plus \$30.00 hazmat fee charge, plus shipping costs.
5 Gallon Tote:	\$164.95	5 gallon-one per case, plus \$30.00 hazmat fee charge, plus shipping charges.
15 Gallon Tote:	\$459.95	15 gallon tote, plus \$30.00 hazmat fee charge, plus shipping.
55 Gal. Drum	\$1296.86	Shipping depends on location from Wisconsin. Example... Texas, approximately \$300, California, approximately \$350.00.

Please call or email with zip code so we can obtain a shipping quote for your order. Prices do NOT include shipping costs or \$30.00 hazardous material fee per case shipped. Wholesale accounts for commercial/businesses only. We cannot ship any mix of sizes in the same box according to shipping regulations. Different sizes will ship in different boxes, with the hazardous material* fee for each shipment.

Please note: Depending on your shipping location and costs, it is some times cheaper to order retail directly online, and save in shipping costs which we absorb some of.
